Portable Appliance Test Certificate

Health and Safety at Work (etc) Act 1974
Electricity at Work Regulations 1989
Management of Health and Safety at Work Regulations 2003
Provision and Use of Work Equipment Regulations 1998

This is to certify that an inspection and test of electrical equipment owned and managed by:

Kent Media Group Limited

The test and inspection was carried out by:

Neal Short

On:

8th and 9th March 2023

The inspection and tests were carried out in accordance with the above legislation, and in accordance with the guidance laid down by the Institution of Electrical Engineers in their code of practice for in-service inspection and testing of electrical equipment.

Number of appliances tested/inspected: **720**
Number of appliances passed: **710**
Number of appliances failed: **10**
Number of appliances repaired and re-tested with a pass: **7**

Recommended retest date: **8th March 2025**

This test was carried out using a Seaward Apollo 500 which was calibrated in October 2023.
A visual inspection of all items was also carried out.
